

PRESS RELEASE
UPDATE FROM THE CITY OF CLUTE
April 30, 2020

FOR IMMEDIATE RELEASE

The City of Clute will be monitoring those restaurants and other businesses reopening this weekend to ensure that the Governor's Order GA-18, allowing not more than 25% capacity in a given business setting is observed.

The City has issued Capacity Certificates to most of those businesses reopening with clearly discernable **GREEN** numbers indicating the maximum number of patrons allowed in the business' setting at a given time under the current Orders.

As a reminder, food service employees ARE NOT required to wear gloves or masks as they are optional under the guidance from the State. We ask that you please show RESPONSIBILITY, PATIENCE and COURTESY towards one another and the business operators as we Reopen Texas in phases.
